

## Community Conference Center Use Guidelines

The Sato Family Nonprofit Center has one conference room available for use by nonprofit organizations. The Community Conference Center (CCC) is in the offices of the Napa Valley Community Foundation (NVCF) at 3299 Claremont Way, Suite 2, Napa, CA.

### Use of Community Conference Center:

The CCC is available at no charge to 501(c)(3) public charities in Napa County, local public agencies and local affiliates of national public charities for activities such as Board meetings, staff trainings and community conversations. Private parties, religious services, fundraisers, political activities, sales solicitations, etc., are not permitted.

### Hours:

The CCC is available during the normal business hours of the Napa Valley Community Foundation, Monday - Thursday, 9:00 a.m. to 5:00 p.m. Meetings must end no later than 5:00 p.m.

### Scheduling:

Please email NVCF at [conference@napavalleycf.org](mailto:conference@napavalleycf.org) to check availability and temporarily reserve the CCC, then complete and return a Reservation Request Form (page 5 of this document) via email to confirm your use of the facilities. Your temporary reservation will be held for two days, after which time it will be cancelled unless a completed Reservation Request Form is received. You may request a reservation up to 30 days in advance, and no later than 5 business days in advance, of your event. Please note that requests for use of the CCC made more than 30 days in advance of any event date will not be accepted.

Organizations are responsible for ensuring that meetings conclude by the time indicated on the reservation form. Please allow enough time for set up/clean up when making your reservation. The CCC is not available before the start time of your reservation, and NVCF does not have sufficient lobby space to accommodate your group if you arrive early. Please be advised that NVCF is not able to provide staff to help with room setup or cleanup.

Groups who wish to reserve the CCC for multiple meetings may do so on a space-available basis; but no organization may have more than six meetings scheduled at any given time (i.e., during any particular month). In our attempt to make the facilities available to as many groups as possible, each organization will be limited to 12 events in any given year, unless given the express prior permission of NVCF. Scheduling priority is given to tenants of the Sato Family Nonprofit Center.

### **Cancellation/No Show:**

If you need to cancel a reservation, please send us an email at least 24 hours in advance. Not showing up for meetings may result in loss of meeting room use privileges.

***NVCF reserves the right to refuse use of the room to any group. NVCF may cancel or suspend permission to use the CCC granted to any organization violating these rules and regulations or for any reason including the need to schedule the CCC for NVCF or Sato Family Nonprofit Center tenant-related functions.***

### Capacity:

50 people seated at tables or a maximum of 75 people standing at a reception-style event.

### Alcohol Policy:

Organizations may serve but cannot sell alcohol. Anytime alcoholic beverages are being served, the organization reserving the CCC is required to provide the Foundation **proof of host liquor liability insurance** with no less than \$1,000,000 in limits naming the Foundation, its Board of Directors, and staff as additional insureds. A copy of the Insurance Coverage must be submitted to NVCF one week prior to the event.

**Cleaning:**

The “Community Conference Center Cleaning Checklist” is posted in the CCC. It is your responsibility to complete all the items on the checklist prior to leaving the facility. It also is your responsibility to allow time for setup and cleanup when considering your reservation start and end times. NVCF is not able to provide staff to help with room setup or cleanup. Cleaning supplies are available for your use and are stored in the A/V cabinet on the south wall of the CCC.

**Conference calls:**

Telephone and conference lines are not available in the CCC, but use of personal cell phones for this purpose, or use of Skype or similar services, is permitted.

**Damages:**

Organizations are financially liable for any damages to NVCF property, including the facility or equipment, solely as set forth in the Reservation Request Form, as well as any cleaning costs as assessed and determined by NVCF.

Limited parking is available at the Sato Family Nonprofit Center on a first-come, first-served basis. Please consider suggesting that your meeting attendees carpool, use public transportation and/or walk or bike as the Sato Family Nonprofit Center is located on a regular bus route and is near the Napa bike path.

**Thermostat:**

Our thermostat is programmed to keep the room between 70 and 74 degrees. Please do not change the thermostat. If you are not comfortable, please consult NVCF staff.
