

The George and Gwendolyn Goodin Endowment Fund provides one-year college and university scholarships to Napa County residents who are military veterans, or Napa County residents who are dependents of military veterans who died while in active service. Selection process: A Scholarship Selection Committee (Committee) comprised of veterans, Napa Valley Community Foundation (NVCF) staff and staff of local veteran-serving organizations will select recipients. In any given year, scholarship awards may not be issued if the Committee determines that none of the candidates meet the eligibility guidelines and application criteria. Candidates will be judged on the following criteria:

- Accuracy and completeness of application packet
- Educational goals and ability to meet those goals

Payment process: NVCF will issue a check to the financial aid office of the student's school contingent upon enrollment verification. Scholarship Funds may be used for any educational expenses included in the cost of attending the college, vocational college, or university, like tuition, books, fees or equipment required for coursework. If the student's account is paid in full, the scholarship may be refunded to the student for other attendance expenses. If the student is unable to use any portion of the scholarship towards his/her cost of attendance, we request that the school return such funds to NVCF.
