COMMUNITY
IMPACT
REPORT
2020

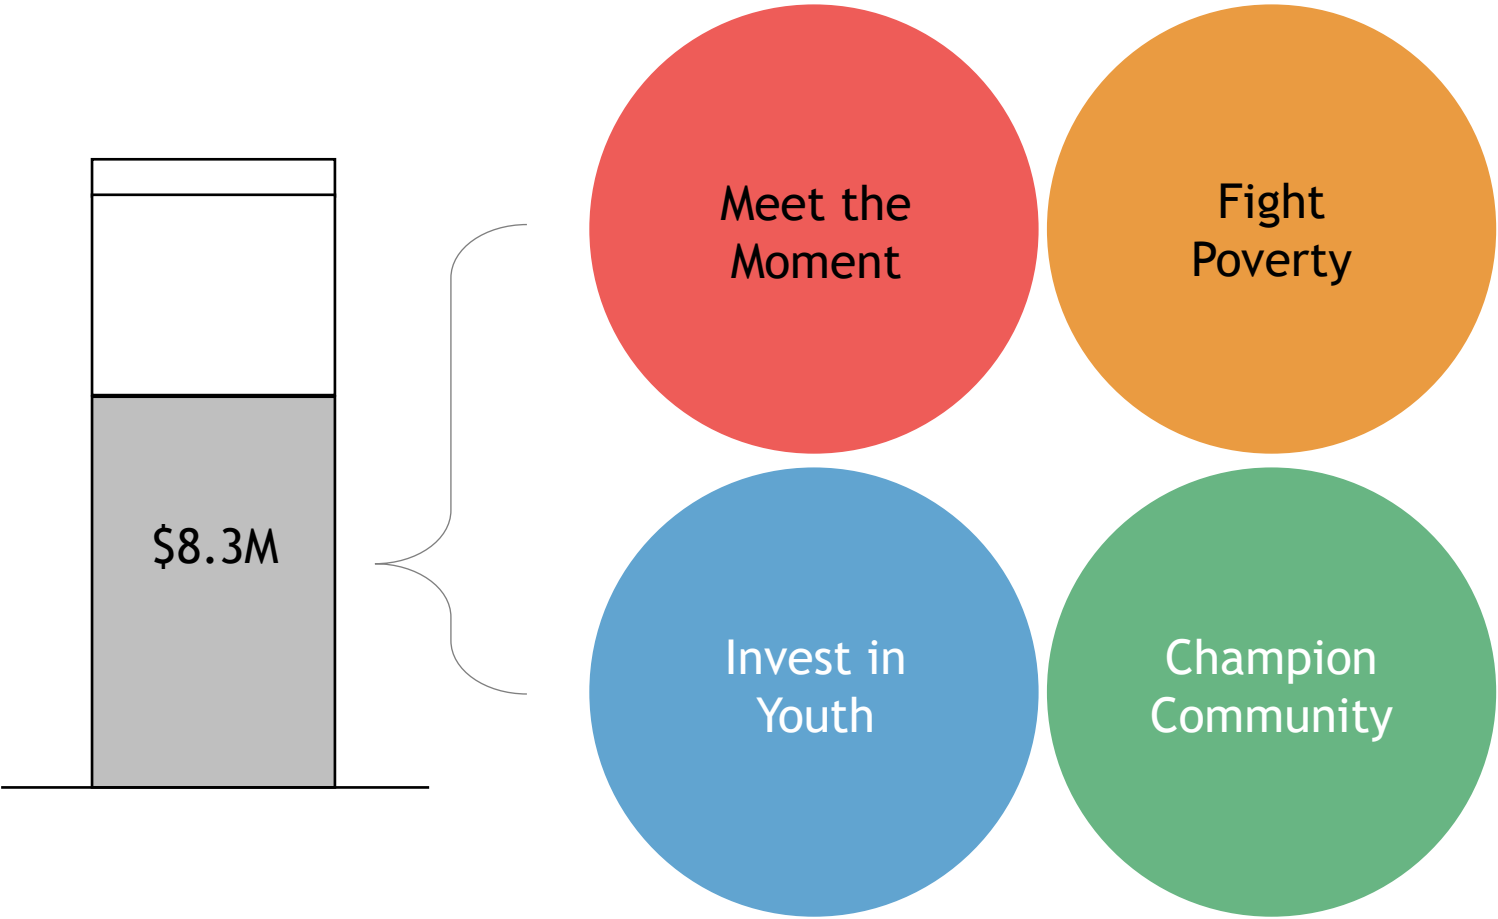

In 2020, we distributed more than \$13 million by playing three important roles in support of our generous donors.

Total Grants: \$13.1 Million

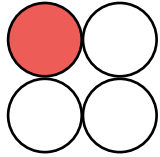

- 1 As a **watchdog** for a dozen givers who entrusted us with their hopes for the future, we distributed \$417,000 in legacy fund grants.
- 2 As a **consultant** to 100 individuals, families and companies who conduct their philanthropy through the Foundation, we distributed \$4.4 M in donor advised fund grants.
- 3 As a **platform** for 2,200 donors who harnessed the power of their collective generosity through the Foundation, we distributed \$8.3 M in community grants.

This report describes the collective impact we achieved in 2020 by serving as a platform for thousands of local donors in four key areas.

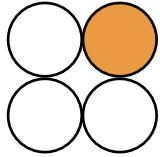

To meet the moment, we responded to three disasters last year: the pandemic and two devastating wildfires.

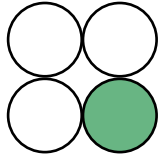

<p>2020 Impact</p>	<ul style="list-style-type: none"> • \$5.1M distributed to blunt the economic and health effects of COVID-19 <ul style="list-style-type: none"> – 1,500 households who lost wages/jobs received 2-3 months of rental assistance – Among the above: nearly 350 mandated to quarantine by County • \$2M distributed to assist survivors of LNU and Glass Fires <ul style="list-style-type: none"> – 2,500 received relief services – 250 workers, homeowners and renters received direct cash aid • \$311,000 for continued response to the 2017 Napa Fire Complex and resilience, including fire mitigation, workforce development and nonprofit preparedness
<p>Approach</p>	<p>We believe disasters don't discriminate but recovery does. We respond immediately but take the long view. We think cash aid is paramount but can't stand alone.</p>
<p>Donors</p>	<p>25,000 2,100 (all years last year)</p>

To champion community, we made grants to provide opportunities for local immigrants to feel more secure and engaged in the future of our community.

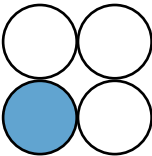

<p>2020 Impact</p>	<ul style="list-style-type: none"> • \$140,000 supported an immigrant legal services infrastructure <ul style="list-style-type: none"> – 1,200 families received free legal immigration consultations – 770 people helped to submit applications for citizenship or other benefits – 250 Napa residents were sworn in as U.S. citizens
<p>Approach</p>	<p>We believe that our community and our democracy are more vibrant when everyone participates in the decisions we make about our future. But all too often, certain segments of our population face obstacles to civic engagement - like the lack of affordable legal services to obtain citizenship.</p>
<p>Donors</p>	<p>317 27 (all years last year)</p>

To fight poverty, we made grants to help the most vulnerable residents of our Valley meet basic needs.

<p>2020 Impact</p>	<ul style="list-style-type: none"> • \$112,000 supported health and wellbeing programs <ul style="list-style-type: none"> – 1,500 members of our workforce built assets for the future – 2,745 teens, families and seniors accessed food and mental health counseling • \$211,000 launched the Napa Sonoma ADU Center <ul style="list-style-type: none"> – 400 homeowners started on the path to building a granny unit – 16 local jurisdictions are working together to improve building processes
<p>Approach</p>	<p>We believe that our Valley is only as strong as its most vulnerable residents. Unfortunately, significant barriers - like the high cost of housing - stand in the way of local families' ability to thrive.</p>
<p>Donors</p>	<p>265 29 (all years last year)</p>

To invest in youth, we made grants to expand the number of students that are college-ready and awarded scholarships for postsecondary education.

<p>2020 Impact</p>	<ul style="list-style-type: none"> • \$145,000* distributed to help teens and young adults succeed in school <ul style="list-style-type: none"> – 6,200 pre-k through high school youth built academic and leadership skills – 290 first-generation students received college mentoring • \$250,000** distributed as scholarship awards <ul style="list-style-type: none"> – 77 local students were awarded – 64 percent are first in their families to attend college
<p>Approach</p>	<p>We believe that all young people have the potential to become confident and contributing adults. However, while gifts and talents are evenly distributed, access and opportunities are not.</p>
<p>Donors</p>	<p>255 29 (all years last year)</p>

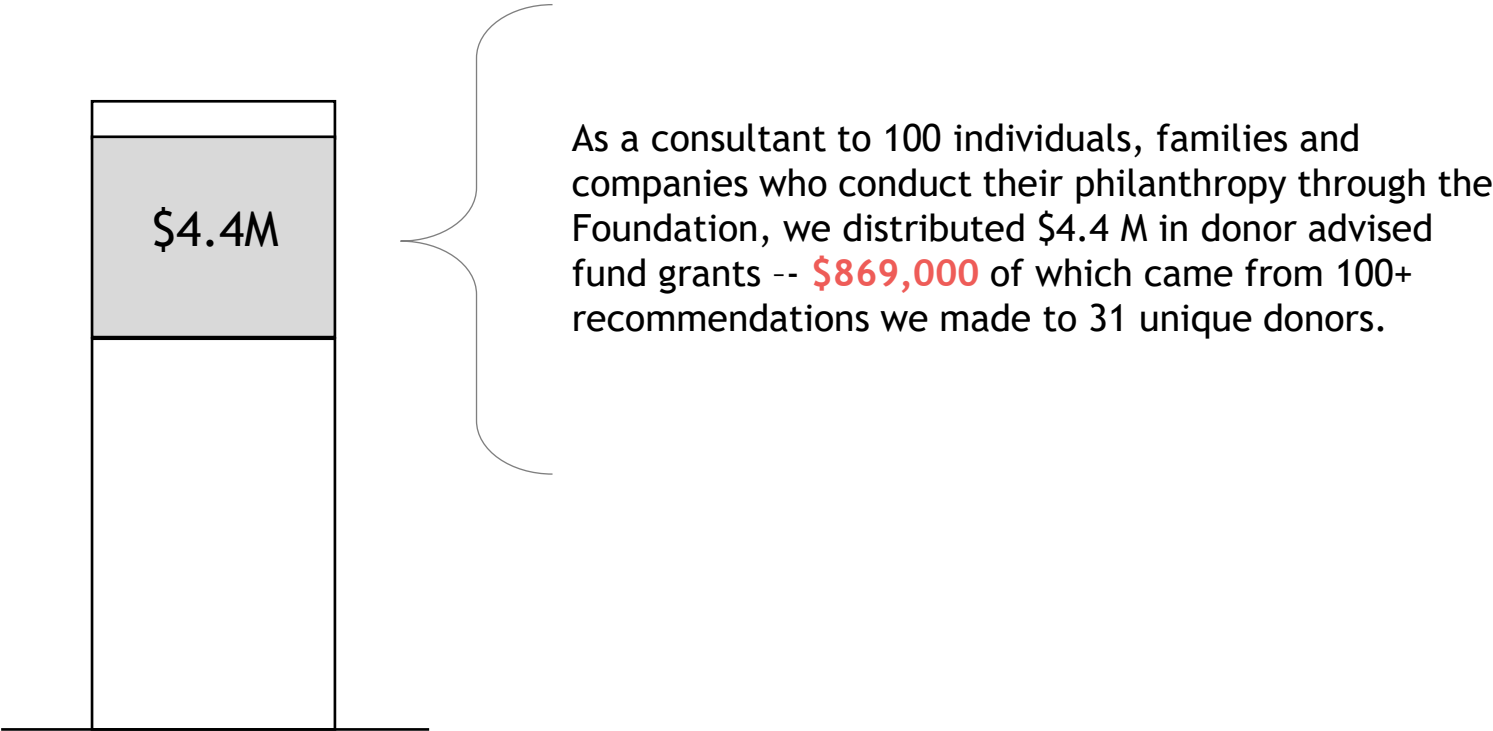

*Includes \$38,000 in funding from Gordon F. & Marion J. Davies Endowment Fund, a Legacy Fund also focused on college access

**The 2020 scholarship total includes Donor Advised and Legacy Scholarship Funds

Research, site visits and due diligence support our work in these 4 areas and more. Your gift to the Community Leadership Fund makes it possible.

Notably, charitable ideas we brought to our donors, based on their interest areas, accounted for 20% of the dollar value of our donor advised fund distributions.
